Happy July to All Members of Our Club!

Happy July 4th! I hope everyone has a Family Fun Filled Day! It is always a great day when you can kick back outside and enjoy family.

Nazareth Day Car Show is right around the corner. Our Annual Planning Picnic will be held on **Sunday, July 9th at 2:00 pm. At Nazareth Boro Park. Day, Time and Location has been changed from previously mentioned in past newsletters.** We have a lot to discuss! We are going to pre-order a selection of hoagies and we ask for volunteers to bring some picnic like side dishes that do not have to be heated. Water, Soda, Ice Tea will be provided too. If you can, we ask all our members to donate a gift basket worth \$25.00 to our basket raffle. Profits from the show are divided three ways; 1/3rd. to LV Pediatric Cancer Association ; 1/3rd. To the Nazareth Food Bank and the remaining third to our club. So we ask that every member support the event! Did you send in your registration form for the event? If Not, you can find a registration form on page 5 of this newsletter.

August 1st is our annual Mini Golf Outing at Lucky Strokes in Bath, PA. I promise to keep the "General Meeting" short, pretty much just a report on how the Nazareth Day Car Show went, What's happening for Das Awkscht Fescht and an update on the ALL THUNDER-BIRD FALL REGIONAL. Then we can get out to the course, pair up and "T" off to enjoy the rest of the evening! New ice cream parlor at the place is suppose to be great, so we will have to make time to try it out. Does an Ice Cream sandwich with cheese fries count as a dinner?

This month's newsletter has all the registration forms for all our upcoming events that many members are planning to attend. Make sure you read them for the **"registration due by"** dates.

See you at the Planning Picnic! Vince

Board of Director's Message

Did you send in your registration forms yet? Please look over the forms and send in your registration for the events by the respective due date!

Please put together a gift basket for the Nazareth Day Car Show. This portion of the show has become an important revenue generator for our club. Remember, 1/3 rd. goes to our Nazareth Community Food Bank, 1/3 rd. to the Lehigh Valley Pediatric Cancer Foundation and 1/3 rd. to our Club.

The ALL THUNDERBIRD FALL REGIONAL promises to be a fun event. If you missed the Convention last year, this is your opportunity to get involved and see what the fun is all about. Make your hotel reservations by August 7th to get the "Thunderbird Rate". Brochure on the event can be found starting on page 6 of this newsletter.

Nazareth Day Car Show Planning Picnic

Sunday, July 9th @ 2:00 pm

**Nazareth Boro Park, where we
have the car show!**

Calling ALL MEMBERS.....Please attend our Nazareth Day Car Show planning picnic!

We need your help!

With over two hundred cars expected to attend, we need everyone to come out at support our only fund raiser. For the past five plus years, our club renewal fee, car show registration and member cost for the Christmas Holiday Party has stayed the same. Plus each year our club host the annual March Pizza Party, to announce club activities for the car show season. All this is done on funds from yearly membership dues and our Nazareth Day Car Show!

As in past years, profits from our Nazareth Day Car Show are divided three ways with one-third going to each of the following organizations; The Nazareth Food Bank, Lehigh Valley Pediatric Cancer Foundation and our own club. Our club portion is used to off-set our annual Holiday Party and other donations the club makes during the year. Your support is crucial.

Besides attending the show with your car, we ask that you donate a gift basket, valued at \$25.00 for our basket raffle and volunteer at the show. A list of volunteer positions and sign-up sheet will be passed around at our upcoming General Meeting on June 6th. The meeting will be held at the Parkland Restaurant and at the Planning Picnic. Contact Walt Fries for more information.

Yuengling Brewery Tour

The story of Yuengling is the story of the American Spirit. It's a tale of shared dreams, individual tenacity and an unwavering dedication to standards of quality. Like many American stories it starts amid the dreams of countless young immigrants looking for opportunity and emerges from the strength and will of one family determined to build their legacy in a new country. The story of America's Oldest Brewery began when David G. Yuengling arrived from Wuertemberg Germany to settle in the sleepy, coal-mining town of Pottsville, Pennsylvania.

Jerry's Classic Car and Collectables Museum

Do you want to relive the days of the past? The days when cars were classically designed, rock-n-roll ruled everyone's radio and the nights were about watching movies at the drive-in theater or sipping a milkshake at a local soda shop. At Jerry's Classic Cars & Collectibles museum, you will take a journey back in time to the 1950s and leave with an unforgettable experience.

Jerry's team paid attention to detail and have created an authentic atmosphere, displaying classic cars and over 20,000 collectible items to stir fond Memories.

Take a sneak peek of the museum and learn about the history of the building as you plan your visit.

All ages are welcome!

All Thunderbird Fall Regional Car Show

The Pottsville station, also known as Union Station Intermodal Transit Center, is a transit station in Pottsville, Pennsylvania. Originally a Reading Railroad station, it currently houses bus service, the Schuylkill County Visitors Bureau, and occasional train service.

The station was originally built by the Reading Railroad, and later served the SEPTA diesel service line but was shut down in 1981, when SEPTA cancelled the diesel service. After several years of effort, the county refurbished the building to serve the Schuylkill Transportation System and the visitors bureau. In 2013, the Reading Blue Mountain and Northern Railroad began hosting further recreational train trips to Philadelphia.

The All Thunderbird Fall Regional Car Show will take place on
Saturday from 10:00 am to 3:00 pm.

This is our preferred site depending on permission from the City of
Pottsville Parking Authority.

Tour will be Sunday at 10:00 am

Pioneer Tunnel Coal Mine

Pioneer Tunnel is a horizontal drift mine. Its level tunnel runs 1800 feet straight into the side of the Mahanoy Mountain. You make the trip in comfort, riding in open mine cars pulled by a battery-operated mine motor. The temperature inside the mine averages 52 degrees, so a sweater or jacket is recommended. Deep inside the mine, you will exit from your car and follow your miner-guide as you are given an explanation of how coal is mined. There are storyboards inside the mine depicting the mining operation. Your guide will point out the numerous coal seams and describe various configurations of passageways, some cut from solid rock in order to reach the coal.
