FALL REGIONAL

Let's put all the rumors to bed, **YES**, there is an **ALL THUNDERBIRD Fall Regional for 2017**. We listened to your feedback from our previous event and have dialed back the length to three days. Yes, we are going to Jerry's Classic Car and Collectables Museum, but unlike other car museums, the cars serve more as a backdrop to the "collectables"! Yes, we are going to tour a brewery, but not an ordinary brewery, we are going to see the oldest brewery, still family owned, in the US, Yuengling Brewery. Did someone say they wanted a car show? Yep....doing that too! And we will wrap up the event with a trip into a coal mine! Notice I said into a mine, not down into one. We will visit the Pioneer Tunnel Coal Mine, 1800 feet into the side of a mountain. So save the dates noted above. Read over the enclosed flyer and send in your form! Oh yea, make your hotel reservations too. We picked a very nice hotel that you will most definitely like! Come on out and spend some time with other Thunderbird enthusiasts and enjoy a fun filled weekend in Schuylkill County, where you always have a friend in Pennsylvania!

President's Message

Happy May to All Members of Our Club!

Winter and Spring have been "battling it out" this month and has created havoc for some of the shows. The Jordon Church show was pretty much rained out and The Wind Gap Show attendance dwindled to about 4 Thunderbirds! So, hopefully going forward, attendance at all the shows improve.

At the beginning of May, we had a one day trip to The Hagley Museum and Auburn Steam Museum. For those who attended, this was a great trip and it was put together by Ken Andersen, one of our newer members. We were treated like royalty at both locations and provided a very in-depth tour of both facilities. I know everyone enjoyed themselves because they, (me included) want to return, to see even more. Ken allotted about two hours per facility, but we definitely could spend a day at each! The Auburn Heights Museum featured steam and alternate powered vehicles, as well as steam trains. The main collection was donated by a gentleman by the name of Tom Marshall, who by chance was doing maintenance on one of the Stanley Steamers. We met with Tom and ended up talking with him for over an hour! Oh, Yeah, he is in his nineties, was on a creeper, in work clothes, running copper tubing between the cylinders and boiler!! So some of you say you are too old to be active in the club.....Nah...I don't buy it! Pictures from the cruise are on page 10

Nazareth Day Car Show is right around the corner. Our Annual Planning Picnic will be held on Saturday, July 8th at 4:00 pm. We have a lot to discuss! We are going to order a large 3 foot hoagie and we ask for volunteers to bring some picnic like side dishes that do not have to be heated. Water, Soda, Ice Tea will be provided too. If you can, we ask all our members to donate a gift basket worth \$25.00 to our basket raffle. Profits from the show are divided three ways; 1/3rd. to LV Pediatric Cancer Association ; 1/3rd. To the Nazareth Food Bank and the remaining third to our club. So we ask that every member support the event!

Our annual trip to the North Jersey Thunderbird Association Car Show is on Saturday, June 10th. Registration Form on page 14. We will meet at 8:00 am at the LV Best Western off RT 22 and caravan up to the show. Come on out and support our sister club!

Once again, our club will be hosting an ALL THUNDERBIRD Fall Regional in Schuylkill County, PA, on September 7th through 10th. You can read the details on pages 6 thru 9 of this newsletter. Please come out and meet more Thunderbird enthusiast from our area and enjoy a fun filled weekend.

Ok, enough from me! Come on, get your car out and about! There is plenty to do in and around our area!

I hope to you at one of our upcoming events,

Vince

Nazareth Day Car Show Planning Picnic

Sunday, July 9th @ 2:00 pm

**Nazareth Boro Park, where we
have the car show!**

Calling ALL MEMBERS.....Please attend our Nazareth Day Car Show planning picnic!

We need your help!

With over two hundred cars expected to attend, we need everyone to come out at support our only fund raiser. For the past five plus years, our club renewal fee, car show registration and member cost for the Christmas Holiday Party has stayed the same. Plus each year our club host the annual March Pizza Party, to announce club activities for the car show season. All this is done on funds from yearly membership dues and our Nazareth Day Car Show!

As in past years, profits from our Nazareth Day Car Show are divided three ways with one-third going to each of the following organizations; The Nazareth Food Bank, Lehigh Valley Pediatric Cancer Foundation and our own club. Our club portion is used to off-set our annual Holiday Party and other donations the club makes during the year. Your support is crucial.

Besides attending the show with your car, we ask that you donate a gift basket, valued at \$25.00 for our basket raffle and volunteer at the show. A list of volunteer positions and sign-up sheet will be passed around at our upcoming General Meeting on June 6th. The meeting will be held at the Parkland Restaurant and at the Planning Picnic. Contact Walt Fries for more information.

Yuengling Brewery Tour

The story of Yuengling is the story of the American Spirit. It's a tale of shared dreams, individual tenacity and an unwavering dedication to standards of quality. Like many American stories it starts amid the dreams of countless young immigrants looking for opportunity and emerges from the strength and will of one family determined to build their legacy in a new country. The story of America's Oldest Brewery began when David G. Yuengling arrived from Wuertemberg Germany to settle in the sleepy, coal-mining town of Pottsville, Pennsylvania.

Tour Information: Tour will begin at 10:00 am sharp!

Completely closed shoes are REQUIRED to go on tour. Sneakers available for purchase at a nominal fee.

Our Tour will start on Friday at 1:00 pm.
There is a small lot and ample on street parking.

Jerry's Classic Car and Collectables Museum

Do you want to relive the days of the past? The days when cars were classically designed, rock-n-roll ruled everyone's radio and the nights were about watching movies at the drive-in theater or sipping a milkshake at a local soda shop. At Jerry's Classic Cars & Collectibles museum, you will take a journey back in time to the 1950s and leave with an unforgettable experience.

Jerry's team paid attention to detail and have created an authentic atmosphere, displaying classic cars and over 20,000 collectible items to stir fond Memories.

Take a sneak peek of the museum and learn about the history of the building as you plan your visit.

All ages are welcome!

All Thunderbird Fall Regional Car Show

The Pottsville station, also known as Union Station Intermodal Transit Center, is a transit station in Pottsville, Pennsylvania. Originally a Reading Railroad station, it currently houses bus service, the Schuylkill County Visitors Bureau, and occasional train service.

The station was originally built by the Reading Railroad, and later served the SEPTA diesel service line but was shut down in 1981, when SEPTA cancelled the diesel service. After several years of effort, the county refurbished the building to serve the Schuylkill Transportation System and the visitors bureau. In 2013, the Reading Blue Mountain and Northern Railroad began hosting further recreational train trips to Philadelphia.

The All Thunderbird Fall Regional Car Show will take place on
Saturday from 10:00 am to 3:00 pm.

This is our preferred site depending on permission from the City of
Pottsville Parking Authority.

Tour will be Sunday at 10:00 am

Pioneer Tunnel Coal Mine

Pioneer Tunnel is a horizontal drift mine. Its level tunnel runs 1800 feet straight into the side of the Mahanoy Mountain. You make the trip in comfort, riding in open mine cars pulled by a battery-operated mine motor. The temperature inside the mine averages 52 degrees, so a sweater or jacket is recommended. Deep inside the mine, you will exit from your car and follow your miner-guide as you are given an explanation of how coal is mined. There are storyboards inside the mine depicting the mining operation. Your guide will point out the numerous coal seams and describe various configurations of passageways, some cut from solid rock in order to reach the coal.
