Recipe By: Karin Christian

"A very easy, very good tasting bread. Best if made the day before, or several hours before serving."

3 cups all-purpose flour	1 teaspoon baking soda
1 tablespoon baking powder	1 egg, lightly beaten
1/3 cup white sugar	2 cups buttermilk
1 teaspoon salt	1/4 cup butter, melted

Directions

- 1 Preheat oven to 325 degrees F (165 degrees C). Grease a 9x5 inch loaf pan.
- 2 Combine flour, baking powder, sugar, salt and baking soda. Blend egg and buttermilk together, and add all at once to the flour mixture. Mix just until moistened. Stir in butter. Pour into prepared pan.
- 3 Bake for 65 to 70 minutes, or until a toothpick inserted in the bread comes out clean. Cool on a wire rack. Wrap in foil for several hours, or overnight, for best flavor.

Unicorn Song Lyrics

A long time ago, when the earth was still green
And there were more kinds of animals than you've ever seen
They'd run around free while the earth was being born
But the loveliest of all was the unicorn

There was green alligators and long-necked geese
Some humpty-backed camels and some chimpanzees
Some cats and rats and elephants, but sure as you're born
The loveliest of all was the unicorn

Now god seen some sinnin' and it gave him pain
And he says, "stand back, I'm going to make it rain"
He says, "hey, brother Noah, I'll tell you what to do
Build me a floating zoo"

And take some of them green alligators and long-necked geese
Some humpty-backed camels and some chimpanzees
Some cats and rats and elephants, but sure as you're born
Don't you forget my unicorn"

Old Noah was there to answer the call
He finished up making the ark just as the rain started fallin'
He marched in the animals two by two
And he called out as they went through

"Hey, Lord" I've got your green alligators and long-necked geese
Some humpty-backed camels and some chimpanzees
Some cats and rats and elephants, but Lord, I'm so forlorn
I just can't see no unicorn"

Then Noah looked out through the driving rain
Them unicorns was hiding, playing silly games
Kicking and splashing while the rain was pouring
Oh, them silly unicorns

There was green alligators and long-necked geese
Some humpty-backed camels and some chimpanzees
Noah cried, "close the doors 'cause the rain is pourin'
And we just can't wait for no unicorns"

The ark started movin', it drifted with the tide
Them unicorns looked up from the rock and they cried
And the waters came down and sort of floated them away
And that's why you'll never see a unicorn, to this very day

You'll see green alligators and long-necked geese
Some humpty-backed camels and some chimpanzees
Some cats and rats and elephants, but sure as you're born
You're never gonna see no unicorn
