# President's Message

*Hello and Happy October!*

*Hunkered down in the Thunderbird cave for most of the year has not been much fun! I hope everyone is doing well and that you are getting back to a more normal life, Needless to say, not much has been happening from March to present day regarding Thunderbirds, car related events and our club events. Hopefully we will be out of this soon!*

*The Board of Directors has been teleconferencing each month and we met in person last month to discuss how to "jump-start" the club after our "Spring/Summer" break. So the plan moving forward is simple, we are going to start up Thunderword, organize a General Meeting, do a Christmas Party and start planning for 2021.*

*Since there was little to even littler activity for the club in 2020, there will be no dues for 2021. You may also notice the lack of sponsors in the newsletter. Since they did not pay for their adds for 2020, we dropped them.*

*The Board is working with Parkland to set up the General Meeting. Also we have talked with the Lehigh Valley Hotel about the Christmas Party and we need to know how many are actually going to attend. Keep in mind, we did not have a car show this year, so if you want to attend, you will be paying the full cost of the meal for each person you bring.*

*I did mention there will not be a dues for the 2021 calendar year for existing members, but we ask that everyone fills out a membership renewal form and sends it into our Treasurer. You will find the form in this newsletter.*

See you soon!

*Vince*

## Basic Pasta Recipe

### Ingredients: ( 3 servings )

- A) 1 egg, beaten
- B) ½ teaspoon salt
- C) 1 cup all-purpose flour
- D) 2 tablespoons water

### Directions:

#### Step 1

In a medium sized bowl, combine flour and salt. Make a well in the flour, add the slightly beaten egg, and mix. Mixture should form a stiff dough. If needed, stir in 1 to 2 tablespoons water.

#### Step 2

On a lightly floured surface, knead dough for about 3 to 4 minutes. With a pasta machine or by hand roll dough out to desired thinness. Use machine or knife to cut into strips of desired width.
