Hello and Happy Spring to Everyone!

What?? That's right, the first day of Spring WAS Sunday March 20th, 2022!

I am ready for the winter to be over and to get the Thunderbirds out "flying" once more.

So a lot happened over the past month, but very few members came out to participate! What's up with that????? Yeah, I know, you are in Florida, Arizona, Utah..... and I hope you enjoyed the weather and your time there! BUT, now that your back, get your Thunderbird of it's jacks and come out for some fun!

Some of the things you missed:

- 1) On Saturday, March 5th, we help our Annual Pizza Party to "Kick-Off" our 2022 Event Calendar. We found a good place with good pizza to host our party in Pino's Pizza on Nazareth Pike.
 - 2) The Lehigh Valley Auto Show invited our club back to show off our Thunderbirds at the entrance to the Stabler Arena on Saturday, March 19th.
 - 3) On Saturday, February 12, 2022, several club members participated by judging the 2022 GLVADA High School Auto Technician Competition that was held at Northampton Community College.
 - 4) Also, we added a new board member,- Dan Pruzinsky -
 - 5) We had a very productive General Meeting on Saturday, April 2nd at another new restaurant; Frank's Pizza and restaurant in Bethlehem off Nazareth Pike. Good variety of food, reasonable cost and good service. Overall we had several members we have not seen in a while attend, and all agreed to try several new ideas for our annual Nazareth Day Car Show. What?
- A) Yes we are going to add a "Kids Coloring Corner" with a prize in the Female and Male category
- B) "Creative Craft Activity" again for kids, made from recyclables.
- C) MY ABSOLUTE FAVORITE: we are going to rent 1/2 of the covered pavilion to put our baskets under, host the kid's activities under and assemble the picture plaques! I will actually be able to bring my T-Bird! I am very excited as you can see

I apologize for being so selfish.....but I love the ideas that were generated and discussed. Yes some meetings are not as good as others, BUT with more participation we can change that!

Finally, on Saturday, April 23rd, we are meeting at the Classic Auto Mall in Morgantown, PA

The facility is only open from 9:00 am until Noon, so please get there at 9:00 am, so you can see the whole facility with all it's vehicles.

Okay, you would think this is an American Motors Club with all the Rambling.....

Thanks,

Vince

Promises" :

Patriots:

Time when our president and other politicians tend to apologize for our country's prior actions, here's a refresher on how some of our former patriots, regardless of party affiliation, handled negative comments about our country:

Secretary of State, Dean Rusk, was in France in the early 60's when DE Gaulle decided to pull out of NATO. DE Gaulle said he wanted all U.S. Military out of France as soon as possible. Rusk responded,

"Does that include those who are buried here?"

DE Gaulle did not respond. You Could have heard a pin drop.

When in England , At a fairly large conference, Colin Powell was asked by the Archbishop of Canterbury if our plans for Iraq were just an example of 'empire building' by George Bush. He answered by saying,

"Over the years, the United States has sent many of its fine young men and women into great peril to fight for freedom Beyond our borders. The only amount of land we have ever asked for In return is enough to bury those that did not Return."

You Could have heard a pin drop.

There was a conference in France where a number of international engineers were taking part, including French and American. During a break, one of the French engineers came back into the room saying, "Have you heard the latest dumb stunt Bush has done? He has sent an aircraft carrier to Indonesia to help the tsunami victims. What does he Intend to do, bomb them?"

A Boeing engineer stood up and replied quietly: "Our carriers have three hospitals on board that can treat several hundred people; they are nuclear powered and can supply emergency electrical power to shore facilities; they have three cafeterias with the capacity to feed 3,000 people three meals a day, they can produce several thousand gallons of fresh water from sea water each day, and they carry half a Dozen helicopters for use in transporting victims and injured to and from their flight deck. We have eleven such ships; How many does France have?"

You could have heard a pin drop.

SUBJECT: Life Savings

A man and a woman had been married for more than 60 years. They had shared everything. They had kept no secrets from each other except that the little old woman had a shoe box in the top of her closet that she had cautioned her husband never to open or ask her about.

For all of these years, he had never thought about the box, but one day the little old woman got very sick and the doctor said she would not recover. In trying to sort out their affairs, the little old man took down the shoe box and took it to his wife's bedside. She agreed that it was time that he should know what was in the box.

When he opened it, he found two crocheted dolls and a stack of money totaling \$95,000.

He asked her about the contents: "When we were to be married," she said, "my grandmother told me the secret of a happy marriage was to never argue. She told me that if I ever got angry with you, I should just keep quiet and crochet a doll."

The little old man was so moved; he had to fight back tears. Only two precious dolls were in the box. She had only been angry with him two times in all those years of living and loving.

He almost burst with happiness. "Honey," he said "that explains the doll, but what about all of this money? Where did it come from?"

"Oh, that?" she said. "That's the money I made from selling the dolls."
